Sunday's Bulletin 2/9/25

IT'S NOT ENOUGH TO JUST BELIEVE...

Well, Spring is just around the corner!

That means it's time to start planting your garden, start mowing the grass, go fishing or just hang out at the beach!

That's what warmer weather does, it get us out doing the things we love to do!

But it's also when we have to guard ourselves from being lured into activities that will hinder our relationship with God!

Won't you make plans to come and join us this Sunday Morning as we examine how Satan uses what we love, to keep us from growing closer to God!
